## Smoke Detector Program

This weekend Saturday November 14 the Bedford Citizens Fire Academy Alumni Association will be assisting the Bedford Firefighters with smoke detector checks. Last weekend the notification door hangers were distributed to a block of homes in fire box 307. This project should take 1 to 2 hours depending on the number of homes that respond to the door hangers.

To help with this project meet at the Fire Station #1 training room at 9:30 am on Saturday November 14th. We will be departing to fire box 307 around 9:45am.

If you have any questions please contact Kim Brown.
